In view of the decision of Government that local subjects which were hitherto brought up before the Representative Assembly and discussed therein should henceforth be considered and disposed of by local bodies, it has become necessary to indicate the procedure which should be followed in the matter. Government are accordingly pleased to issue the following instructions:—

At the meeting, held at the headquarters of each district under Rule 46 of the rules published under Notification No. P. 3039—Legis. 12-23-9, dated the 8th December 1923, subjects of a local character will be classified as such and all those within the powers of disposal of the District Board or of any of the Municipal Councils in the district will be forwarded to those bodies for disposal.

The remaining local subjects will be forwarded to the District Board for opinion. The President of the District Board will fix a suitable date for the consideration of these subjects and he will invite the members of the Representative Assembly by whom the subjects were brought forward to be present at the meeting in order that they may assist the Board in coming to a decision. The District Board may record its opinion on all such subjects in the form of resolutions and the President will send copies of the resolutions to the Deputy Commissioner. The latter officer after consulting such of the local officers as he considers necessary, will submit the resolutions to Government with his own views within a period of two months of the date of receipt of the resolutions by him.

The Deputy Commissioner will at the same time forward, for the information of the Government, a list of subjects referred to District Boards and Municipal Councils for final disposal. The manner in which such subjects are disposed of will be reported to the Government direct by the Presidents of the Bangalore and Mysore Municipal Councils and through the Deputy Commissioners by the Presidents of other Municipal Councils and District Boards.

These instructions, in so far as they relate to the consideration by the District Board of local subjects that are not within the powers of disposal of the District Board and Municipal Councils, will issue in the form of rules under Sections 12 and 37 of the Mysore Local Boards and Village Panchayets Regulation.
